Chapters

- Thematic organizations associated to IEEE Societies
- 23 Societies represented by 19 Chapters.
- 3 Affinity groups.

14 Student Branches

We hope to get more

Activities

- 12 social meetings
- 62 technical meetings
- 19 Congress
- Courses
- Awards & Contests
- Colaborations
- Some little thing called PASION...

Voluntiers

- IEEE is mainly formed by voluntiers
- There are almost 100 people in Spain who work to become better and bigger every day
- We could get so MUCH with so few of some people
- A lot of enthusiasm is created and needed

IEEE

- We are not alone. We are part of a great region!!
- IEEE is mainly international

There is a lot to do

- What do we have to potencial?
- Which things are not we doing?
- How do we can strongly interact?
- How to work “as one” and enjoy “as many”?
